Chairs' Message

Winter Greetings everyone. We hope everyone had a nice January.

As we look ahead to February please keep in mind our auction and your mandatory donations. This auction is important to the success of our school. We thank you in advance for your hard work in making this event a success.

As the auction approaches please consider taking on a board position. Elections will be held at this event. Multiple positions will be opening as dedicated parents from our four year old classes will be moving on from CPNS. Please be watching for sign-ups in our school. If you have any questions about these board positions please ask a present board member. We also welcome you to our February board meeting on Tuesday Feb. 23rd at 6:30.

Also, please keep in mind that registration for the 2010-2011 school year is now open. If you know any family or friends who are interested in attending please contact them and have them attend an open house. We have one scheduled each month for all perspective families.

We hope all of you are doing well in our last winter months. As always, if you have any concerns or questions please feel free to contact your co-chairs or any board member.

Please Double Check

When you are the Helping Parent, please check the Clean-Up Check List that is over the easel to be sure all tasks have been done.

Please stop for a moment on your way in and out of school to make sure that the entrance gate is completely latched.

These are important for the health and safety of our children.
